Times change, world class science remains

### **CALL FOR VIDEO CASES**

Thank you for your interest in submitting a video case for UEG Week Virtual 2021!

As in previous years, UEG Week will feature a designated video case session containing the best-accepted video cases. If your video case is accepted, you will be invited to orally present your video case, followed by two to three minutes discussion with the audience.

This session is the perfect platform to showcase the newest endoscopic procedures and interesting case findings. The chairmen are prominent leaders in the field and will ensure that the session is interactive and filled with dynamic discussions.

Please read carefully through the submission guidelines so that you prepare the video file accordingly.

### **Important Dates**

**Opening of Video Case submission:**

**February 22, 2021**

**Deadline for Video Case submission:**
