

CALL FOR VIDEO CASES

As in previous years, UEG Week will feature a designated video case session containing the best-accepted video cases. If your video case is accepted, you will be invited to orally present your video case, followed by two to three minutes discussion with the audience.

When you submit your video case to UEG Week, you have guaranteed international exposure, as UEG Week is truly the platform for you to share your science with the worldwide GI community. In addition to the publication in our library and in our online programme, your video case will also be featured in the UEG Journal.

Important Dates

Opening of Abstract submission: Monday, February 28, 2022

Deadline for Abstract submission: Friday, April 29, 2022; Midnight (CET)
