We continue to strive for equality of opportunity and inclusion and invite a diverse field of applicants to this position.

#### **Member of the National Societies Committee (NSC)**

The NSC is aiming towards a balanced committee membership with representation from at least six different national societies and with at least two members representing Eastern Europe. For this call, we encourage candidates with an interest and/or experience in planning for scientific congress programmes. The term of office is January 1, 2024, to December 31, 2027.

UEG invites the National Member Societies to support one candidate for the position of Member of the NSC. Countries with two national societies can nominate one joint candidate.
