UEG Week 2023 Awardees

UEG Lifetime Achievement Award

Jan Tack, Belgium

UEG Top Abstract Prize

Johan Hardvik Åkerström, Sweden

Paul Lopatta, Germany

Bruce Sands, USA

Jörn Schattenberg, Germany

Pieter Sinonquel, Belgium

UEG Research Prize

Michael Bretthauer, Norway

UEG Rising Stars

Pilar Acedo, United Kingdom

Timon Adolph, Austria

Krisztina Barbara Gecse, Netherlands

Chris Lamb, United Kingdom

Mattias Mandorfer, Austria

Anna Saborowski, Germany

Kai Markus Schneider, Germany

Lena Seifert, Germany

Joana Torres, Portugal

Johann von Felden, Germany

UEG Journal Best Paper Award

Robert Hüneburg, Germany

Posters at UEG Week

Science Lounge: Posters & Networking (Hall C)

All posters are on display on the poster terminals during the following times:

Sunday, October 15 10:00 – 17:30

Monday, October 16 09:00 – 17:30

Tuesday, October 17 09:00 – 15:30

Moderated Posters

Catch our moderated poster sessions at the Poster Stages in the Science Hall, where we feature up to 4 sessions in parallel, a total of 52 sessions from Sunday morning to Tuesday afternoon. Experience the moderated poster sessions in a new and unique format! You will wear headphones to listen in, ensuring the congress sounds around you don't overshadow the insightful topics. Please see the congress platform for detailed times and topics.

Poster Rallye

Experience something new at UEG Week 2023: The Poster Rallye! Explore captivating scientific posters on the virtual platform and test your knowledge for a chance to win prizes like UEG Week 2024 registration, PGT 2024 registration, or a spot at the "Emergency Training in Endoscopy" course. Participate every day to increase your chances and gain invaluable knowledge. Don't miss out on the Poster Rallye at UEG Week 2023, happening exclusively on the virtual platform, open for both on-site and virtual delegates!

Enhance your insights: Explore all posters in our onsite Science Lounge or via our congress platform!

Programme Overview

Saturday October 14	Sunday October 15		Monday October 16	Tuesday October 17
full day	morning	afternoon	full day	full day
Postgraduate Teaching (PGT) Programme				
Nurse Programme in cooperation with ESGENA				
Hands-on Programme in cooperation with ESGE/ESGENA (Endoscopy), EFSUMB (Ultrasound), ESSAT (Surgery)				
		Sessions		
			Clinical Case Discussions	
				ESGE Live Endoscopy
		Abstract Sessions, Late Breakers		
	Science Lounge: Posters, Moderated Posters			
	Common Interest Groups (CIG)			
Industry Symposia				
	Industry Exhibition			

Photos, Filming and Recording of Scientific Sessions:

It is strictly forbidden to film, take photos or record any oral or poster presentation of UEG Week without the consent of the organiser (including smart phones, mobile devices, etc).

Postgraduate Teaching Programme (PGT) Overview | Saturday, October 14, 2023

	Room D3	Room A1	Room A2	Room D4	Auditorium 11	Auditorium 12	Auditorium 15	Hall B, Hall E	
09:00 – 10:30	PGT				Nurse Programme			<p>09:00 – 17:30</p> <p>Endoscopy Learning Area in cooperation with ESGE and ESGENA</p> <p>Ultrasound Learning Area in cooperation with EFSUMB and BICUS</p>	
	How does quality in endoscopy affect the prognosis of our patients?				ESGENA Opening Session: Be aware of...				
Break 10:30 – 11:00									
11:00 – 12:30	PGT	PGT	PGT	PGT	Nurse Programme	Nurse Programme	PGT		
	Best bets for biliary access: ERCP, EUS, or combination	Optimise the use of drugs in IBD	Pain on the rocks: Management of painful calcifying chronic pancreatitis	How to keep your patient with alcohol-related liver disease alive	New trends and developments in hygiene and infection control	New trends and developments in endoscopic techniques	Peptic ulcer disease continues to call for vigilance		
Break 12:30 – 13:30									
13:30 – 15:00	PGT	PGT	PGT	PGT	Nurse Programme	Nurse Programme	PGT		
	The experts' guide to Barrett's oesophagus	Disease activity in IBD: When and how hard to look for it?	Autoimmune pancreatitis: The story continues	Safe feeding	Liver nurses: Advanced roles	Free papers I: Management and patient safety	Refractory constipation: Is there light at the end of the tunnel?		
Break 15:00 – 15:30									
15:30 – 17:00	PGT	PGT	PGT	PGT	Nurse Programme	Nurse Programme	PGT		
	Severe acute pancreatitis: Management and complications	Fulminant hepatitis, liver failure and liver transplantation	Advanced colorectal cancer	Unexplained weight loss: Is it a gastrointestinal disorder, an eating disorder, or both?	IBD nurses: All around the gut	Free papers II: Patient care and assistance	Diagnosis and management of small bowel tumours: Looking for a needle in a haystack?		
Break 17:00 – 17:30									
17:30 – 18:30					Industry Symposium				

Postgraduate Teaching Programme (PGT) & Scientific Programme Overview | Sunday, October 15, 2023

	Room D3	Room A1	Room A2	Room A3	Room C1	Room C2	Room D4	Room D5	Auditorium 10
08:00 – 09:30	PGT	PGT	PGT				PGT		
	How do you see UC?	Complications of cirrhosis and liver cancer	Are we ready to prevent/treat IBD with nutrition?				New standards for early squamous oesophageal cancer management		
Break 09:30 – 10:00									
10:00 – 11:30	PGT	PGT	PGT	10:00 – 11:00 Industry Symposium			10:00 – 11:00 Industry Symposium	PGT	
	Pancreatic neuroendocrine neoplasms: Update in diagnosis and management	Dysphagia: A bitter pill that's hard to swallow	Gastric polyps and submucosal lesions: Less is more						
Break 11:30 – 12:00									
12:00 – 13:00		Industry Symposium		Industry Symposium		Industry Symposium		Industry Symposium	
Break 13:00 – 13:30									
13:30 – 15:00	Opening Session								
	Opening Plenary								
Break 15:00 – 15:30									
15:30 – 16:30	Session	Session	Session	Abstract Session	Session	Session	Session	Session	Session
	What's new in IBD in 2023?	From guidelines to clinical practice: Chronic nausea and vomiting	Complications of the portal vein: The portal vein thrombosis board	AI in lower GI endoscopy	Pain in IBS and IBD	Microbiome at GI interfaces	Colorectal cancer screening and surveillance: How far should we go?	Update on chronic pancreatitis: How to diagnose and how to treat?	Achalasia: Is POEM the ultimate solution?
Break 16:30 – 17:00									
17:00 – 18:00	Session	Late Breakers	Session	Abstract Session	Session	Session	Session	Session	Session
	Management of acute pancreatitis	Late-breaking abstracts I	Mistakes in ... Upper GI	IL-23-Blockers in IBD: Part 1	Never waste a good disaster (Lower GI)	Microbiome-based precision medicine	Best of DDW	Best of hepatology in UEG Journal	From guidelines to clinical practice: Malnutrition
Break 18:00 – 18:30									
18:30 – 19:30									Industry Symposium

Auditorium 11	Auditorium 12	Auditorium 15	UEG Week+
		PGT A journey towards an effective management of the patient with diverticular disease	UEG Week+ programme on-demand on the congress platform
Break 09:30 – 10:00			
Nurse Programme	Nurse Programme	PGT	
Green endoscopy	Nutrition	Getting to the bottom of benign anorectal symptoms	
Break 11:30 – 12:00			
Nurse Programme	Nurse Programme	Industry Symposium	
Sedation	Hygiene and infection control		
Break 13:00 – 13:30			
Nurse Programme	Nurse Programme		
My worst case and what I learnt from it	Education and management		
Break 15:00 – 15:30			
Abstract Session	Abstract Session	Abstract Session	
Standardising ESD for upper GI	Molecular roadway to upper GI cancer	Video Case Session	
Break 16:30 – 17:00			
Abstract Session	Abstract Session	Abstract Session	
Molecular and transitional aspects of PDHC	Progress in liver disease biomarkers	Advanced endoscopy for early CRC: The final answer?	
Break 18:00 – 18:30			
		Industry Symposium	

Science Lounge (Hall C)				Hall B, Hall E
Poster Stage 1	Poster Stage 2	Poster Stage 3	Poster Stage 4	
				08:00 – 18:00 Endoscopy Learning Area in cooperation with ESGE and ESGENA Surgical Learning Area in cooperation with ESSAT Ultrasound Learning Area in cooperation with EFSUMB and BICUS
Moderated Poster	Moderated Poster	Moderated Poster	Moderated Poster	
10:30 – 11:30 Medical therapy of IBD: Facts and challenges	10:30 – 11:30 Mechanisms of pancreatic cancer	10:30 – 11:30 <i>H. pylori</i> at interfaces	10:30 – 11:30 Lower GI endoscopic polypectomy	
Moderated Poster	Moderated Poster	Moderated Poster	Moderated Poster	
Medical therapy in IBD: A potpourri of options	Oncology, transplantation and encephalopathy	Breakthroughs in GORD and functional dyspepsia	AI in lower GI endoscopy	
Moderated Poster	Moderated Poster	Moderated Poster	Moderated Poster	
IL-23: Many but different?	NAFLD: Risk, prevention and therapy	Various perspectives on nutritional medicine	Diagnosis and resection of upper GI neoplasia	
Moderated Poster	Moderated Poster	Moderated Poster	Moderated Poster	
Emerging aspects in pathogenesis and treatment of IBD	Cystic and neuroendocrine neoplasms of the pancreas	Coeliac disease	Hepatobiliary endoscopy: Nothing stays the same	

Scientific Programme Overview | Monday, October 16, 2023

	Room D3	Room A1	Room A2	Room A3	Room C1	Room C2	Room D4	Room D5	Auditorium 10
08:30 – 09:30	Session	Session	Session	Abstract Session	Session	Session	Session	Session	Abstract Session
	Crash Course: Fatty liver disease	Ways to personalise treatment in ulcerative colitis	Eosinophilic oesophagitis: From diagnosis to therapy	IL-23-Blockers in IBD: Part 2	Disease primer: AI - the new standard in endoscopy and pathology	Fungi in your gut: Friends or foes?	What's new in 2023? Coeliac disease	New aspects in neoplastic pancreatic cysts	Autoimmune hepatitis and colangiopathies: Update on management and outcome
Break 09:30 – 10:00									
10:00 – 11:00	Session	Late Breakers	Session	Session	Session	Abstract Session	Session	Session	Session
	Ulcerative colitis: Navigating a crowded therapeutic landscape	Late-breaking abstracts II	Malignant bilio-digestive obstruction: Old tools, new ways	Therapy update: Faecal microbiota transplantation	Artificial intelligence for colonoscopy: Benefit or overdiagnosis?	Carcinogenesis revisited	When the twain shall meet: What upper and lower GI experts can learn from each other	Disease primer: Liver fibrosis and carcinogenesis	Never waste a good disaster (Hepatobiliary and pancreas)
Break 11:00 – 11:30									
11:30 – 12:30	Session	Session	Session	Abstract Session	Session	Session	Session	Session	Session
	40 years of <i>H. pylori</i> : Back to the future	Large lesions in the proximal colon	What's new in 2023? Pancreatic and biliary cancer	The new kids on the block for IBD: Part 1	The UEG Research Prize legacy	Digestive diseases: Help from the machines?	Gastric cancer: Timing is key	Mistakes in ...: Hepatobiliary and pancreas	Disease primer: The role of gut microenvironment in IBD and IBS
Break 12:30 – 13:00									
13:00 – 14:00		Industry Symposium	Industry Symposium	CCD*		CCD*	Industry Symposium	Industry Symposium	
				Complex IBD patient		Dyspepsia or reflux			
Break 14:00 – 14:30									
14:30 – 15:30	Abstract Session	Session	Session	Abstract Session	Session	Session	Abstract Session	Session	Session
	Hit the road JAK: Part 1	Early colorectal cancer	Management of end stage liver disease	The new kids on the block in IBD: Part 2	How to manage the key symptoms in functional bowel disorders?	Mechanisms of fibrogenesis: A unifying theme in HPB?	Unsolved issues in IBD outcome	Precision medicine in pancreatic cancer	Non-IBD related colitis
Break 15:30 – 16:00									
16:00 – 17:00	Session	Session	Session	Abstract Session	Abstract Session	Abstract Session	Session	Session	Session
	Microbiota in clinical practice: What is new and what is true?	Reproductive health in IBD patients	Therapy update: Hepatocellular carcinoma	Update on pathophysiology and management in cirrhosis	Advanced imaging for advanced colorectal lesion	Traffic control in IBD	Rising Stars from Europe and Japan	Advancing HPB endoscopy	Small bowel tumours
Break 17:00 – 17:30									
17:30 – 18:30		Industry Symposium						Industry Symposium	

* CCD: Clinical Case Discussion

Auditorium 11	Auditorium 12	Auditorium 15	UEG Week+
Abstract Session	Abstract Session	Session	UEG Week+ programme on-demand on the congress platform
What is new in GORD management: Drugs or surgery?	<i>H. pylori</i> : From disease pathway to therapy	Is it a diverticular disease?	
Break 09:30 – 10:00			
Abstract Session	Abstract Session	Abstract Session	
New insights into pancreatic diseases: From inflammation to cancer	The road towards eliminating recurrence in Crohn's disease	IBD: From principles to therapy	
Break 11:00 – 11:30			
Abstract Session	Abstract Session	Abstract Session	
Burning questions in acute pancreatitis	GI bleeding: Prevent, detect or treat?	Outcomes in liver disease	
Break 12:30 – 13:00			
	CCD*	Industry Symposium	
	Rare HPB disease		
Break 14:00 – 14:30			
Abstract Session	Abstract Session	Session	
Training and life of a young gastroenterologist	Gut microbiome: From bench to bedside	Therapy update: Extra oesophageal symptoms	
Break 15:30 – 16:00			
Abstract Session	Abstract Session	Session	
Cystic neoplasia at the pancreas: From EUS to molecular mechanisms	Big steps for coeliac and short bowel	Junctional gastro-oesophageal cancer	
Break 17:00 – 17:30			

Science Lounge (Hall C)				Hall B, Hall E
Poster Stage 1	Poster Stage 2	Poster Stage 3	Poster Stage 4	
				08:30 – 17:00 Endoscopy Learning Area in cooperation with ESGE and ESGENA Surgical Learning Area in cooperation with ESSAT Ultrasound Learning Area in cooperation with EFSUMB and BICUS
Moderated Poster	Moderated Poster	Moderated Poster	Moderated Poster	
Disease burden of IBD	Novel aspects in liver cirrhosis	The small intestine: A hidden treasure!	Advanced endoscopy	
Moderated Poster	Moderated Poster	Moderated Poster	Moderated Poster	
Crohn's disease or ulcerative colitis: To diagnose or not to diagnose?	Pancreas: Clinical aspects	Molecular avatars in gastrointestinal carcinogenesis	Biliary endoscopy: What's new?	
Moderated Poster	Moderated Poster	Moderated Poster	Moderated Poster	
What else is cooking in IBD?	Prognosis and prediction in liver disease	Upper GI and small bowel endoscopy	Biliopancreatic endoscopy: ERCP or EUS?	
Moderated Poster	Moderated Poster	Moderated Poster	Moderated Poster	
All about disorders of gut-brain interaction	Cross cutting science in HPB	New molecules and tools in GI cancer	Upper GI endoscopy and neoplasia cancer	
Moderated Poster	Moderated Poster	Moderated Poster	Moderated Poster	
IBD: We treat them all - but how?	Pancreatic cancer: From bench to bedside	Endoscopy helping cancer treatment	Lower GI endoscopy interventions	

Scientific Programme Overview | Tuesday, October 17, 2023

	Room D3	Room A1	Room A2	Room A3	Room C1	Room C2	Room D4	Room D5	Auditorium 10
08:30 – 09:30	Session	Live Endoscopy	Session	Abstract Session	Session	Session	Session	Late Breakers	Abstract Session
	Crash course: Endoscopic resections	ESGE Live Endoscopy I	Implementing NAFLD management: A need for multidisciplinary teams!	Hit the road JAK: Part 2	Never waste a good disaster (Upper GI)	Prediction of response in IBD	Barrett's oesophagus: Are we moving to a higher standard?	Late-breaking abstracts III	AI for GI: Glimpse in the future
Break 09:30 – 10:00									
10:00 – 11:00	Session	Live Endoscopy	Session	Abstract Session	Session	Session	Session	Session	Session
	Medical management of Crohn's disease	ESGE Live Endoscopy II	What's new in 2023? Non-invasive tests for evaluation of NAFLD	IBD aetiology	Be ready to fail to succeed! The perspective of young talents who succeeded in research	Precision molecular medicine in GI cancers	Advances in endoscopy: Third-space endoscopy	Coeliac disease: Current dilemmas	Hot topics from Pan America
Break 11:00 – 11:30									
11:30 – 12:30	Session	Live Endoscopy	Session	Abstract Session	Session	Session	Session	Abstract Session	Session
	Therapy update: The integrated approach to optimising care of the patient with IBD	ESGE Live Endoscopy III	Autoimmunity in HPB	Sequential therapies in IBD: Raising the bar	Crash Course: Upper GI bleeding	Organoids in GI	Advances in endoscopy: Biliopancreatic endoscopy	The various impacts of diet: From IBD to liver	From guidelines to clinical practice: Pancreatic exocrine insufficiency
Break 12:30 – 13:00									
13:00 – 14:00				CCD*		CCD*			
				Palliation in gastric cancer		Metastasised colorectal cancer	Industry Symposium		
Break 14:00 – 14:30									
14:30 – 15:30	Session	Late Breakers	Session	Abstract Session	Session	Session	Session	Session	Abstract Session
	New insights in perianal Crohn's disease	Late-breaking abstracts IV	Therapy update: Viral hepatitis	The switch game: Optimal treatment modalities in IBD	Mistakes in ...: Lower GI	What's new in oncology in 2023?	Advances in endoscopy: Quality in colonoscopy	Bile duct disease revisited in 2023	Improved monitoring for disease activity in IBD

* CCD: Clinical Case Discussion

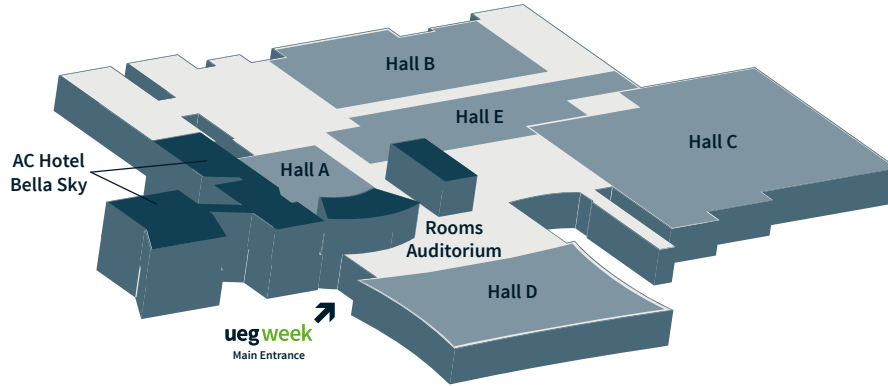

Auditorium 11	Auditorium 12	Auditorium 15	UEG Week+
Abstract Session	Abstract Session	Session	UEG Week+ programme on-demand on the congress platform
Hepatobiliary endoscopy: Old procedure, new approach	What is the best recipe fo EoE: PPI, steroids or monochrome?	What's new in 2023? Organ-sparing treatment for upper GI cancer	
Break 09:30 – 10:00			
Abstract Session	Abstract Session	Abstract Session	
Hepatobiliary and pancreatic cancer: Basic meets clinical practice	Lower GI cancer: Screening, follow-up and beyond	The gut microbiome as a driver of disease	
Break 11:00 – 11:30			
Abstract Session	Abstract Session	Session	
Precision medicine of tomorrow in GI cancer	Mechanisms and treatment of steatotic liver	Therapy update: Gastroparesis	
Break 12:30 – 13:00			
	CCD*		
	Spontaneous bacterial peritonitis		
Break 14:00 – 14:30			
Abstract Session	Abstract Session	Session	
GI cancer: Screening or prevention	Disorders of gut-brain interactions: New tricks for old dogs	Dietary advice for functional gastrointestinal disorders	

Science Lounge (Hall C)				Hall B, Hall E
Poster Stage 1	Poster Stage 2	Poster Stage 3	Poster Stage 4	
				08:30 – 15:30 Endoscopy Learning Area in cooperation with ESGE and ESGENA Ultrasound Learning Area in cooperation with EFSUMB and BICUS
Moderated Poster	Moderated Poster	Moderated Poster	Moderated Poster	
Meet the giants at the poster	Biliary and cholestatic disease	Gastroparesis, dyspepsia, and beyond	Clinical cases revisited	
Moderated Poster	Moderated Poster	Moderated Poster	Moderated Poster	
There are always openings	Acute and chronic pancreatitis	Gut microbiome in clinical practice: From diagnosis to therapy	Innovations in upper GI endoscopy	
Moderated Poster	Moderated Poster	Moderated Poster	Moderated Poster	
Targeting immune cell trafficking in IBD	Pancreatic oncology and masses	All about EoE	Endoscopy and beyond	
Moderated Poster	Moderated Poster	Moderated Poster	Moderated Poster	
Gut microbiome: From mechanisms to disease	Liver and biliary: Clinical aspects	Oesophagus: All about reflux, EoE and achalasia	Upper GI and small bowel endoscopy: Bleeding and beyond

Industry Symposia Overview

As per: August 30, 2023

The programmes of Industry Symposia are not affiliated with UEG.

A more detailed programme of all Industry Symposia can be found in the online programme at ueg.eu or the congress platform

Saturday
October 14, 2023

17:30 – 18:30

Auditorium 11

Nurses at the Forefront of IBD Care
(Bristol Myers Squibb)

Sunday
October 15, 2023

10:00 – 11:00

Room A3

Emerging Role of the Hepatic Thyroid
Hormone Pathway in the Pathophysiology
of NASH
(Madrigal Pharmaceuticals)

Room C2

Achieving Control in EoE: Symptoms PLUS
Histologic and Endoscopic Outcomes With
Dupilumab
(Sanofi Regeneron)

Sunday
October 15, 2023

12:00 – 13:00

Room A3

Modernizing Ulcerative Colitis Treatment
with S1P Receptor Modulators
(Bristol Myers Squibb)

Room C2

Bringing light into new treatment targets:
the role of histology and molecular healing
in UC
(Eli Lilly and Company)

Room D5

Blazing the trail - From IL-12/23 to IL-23
and beyond
(Janssen)

Auditorium 15

It takes two to tango in UC: let's get in sync
with our patients
(Pfizer Inc.)

Room A1

Achieving control in Crohn's disease: today
and tomorrow
(Takeda)

18:30 – 19:30

Auditorium 10

Refining the Journey in the Treatment of
IBD with Subcutaneous Infliximab
(Celltrion Healthcare)

Auditorium 15

Liver in the room: Big enough to challenge
and drive the change in MASH* management.
*Formerly known as NASH.
(Novo Nordisk A/S)

Monday
October 16, 2023

13:00 – 14:00

Room A1

Charting the path ahead in UC: A patient-
centred approach to evidence-driven care
(AbbVie)

Room D5

Bringing light to patient centric goals in UC:
the LUCENT results Faculty
(Eli Lilly and Company)

Room D4

JAK inhibition and individualised care:
comprehensive management in UC
(Galapagos)

Auditorium 15

The real-world experience: Navigating the
ocean of JAKi evidence to help improve
outcomes for patients with UC
(Pfizer Inc.)

Room A2

Gathering intelligence to improve
long-term outcomes in ulcerative colitis:
new evidence
(Takeda)

Monday
October 16, 2023

17:30 – 18:30

Room A1

Revolutionizing the treatment landscape
in Crohn's disease: How IL-23 and JAK
inhibitors are changing the rhythm
(AbbVie)

Room D5

Expanding Horizons in EoE: The Journey to
Long-Term Disease Control
(Sanofi Regeneron)

Tuesday
October 17, 2023

13:00 – 14:00

Room D5

Untangling the Knots: Exploring the
Dynamics of Complex Relationships
between Ulcerative Colitis and
Clostridioides difficile Infections
(Tillotts Pharma AG)

Common Interest Group Meetings

As per: August 30, 2023

Common Interest Group meetings are organised by medical associations to discuss topics of interest. These meetings are open to all delegates.

Sunday, October 15, 2023

09:30 – 11:30 Auditorium 10
PEI Guidelines Diagnosis and Treatment
EPC

Second working group meeting on the European Interdisciplinary Guidelines on the Diagnosis and Therapy of Pancreatic Exocrine Insufficiency. UEG, EPC, EDS, ESPGHAN, ESPEN, ESDO, and ESP-EG Evidence-Based Recommendations. Project lead: Enrique Dominguez-Munoz

10:00 – 13:00 Room 5
Celiac Interest Group, ESSCD meeting
ESSCD

Celiac news and presentation of Celiac abstracts. ESSCD general assembly.

11:30 – 13:00 Auditorium 10
PAIN AP Interdisciplinary Guidelines on Pain Management in Acute Pancreatitis
EPC

First working group meeting on the European Interdisciplinary Guidelines on Pain Management in Acute Pancreatitis: UEG, EPC, EDS, ESDO, EAGEN, ESPGHAN, and ESPCG Evidence-Based Recommendations. Project Lead: Sanjay Pandanaboyana

14:00 – 17:00 Room 5
FMT, stool banking and future of microbiota therapy
EHMSG

This common interest group meeting focusses on challenges with regard to implementation, legislation and quality improvement of FMT. In addition, scientific progress can be discussed. The presentations are short and intend to be a starting point for discussion. At the end of this Common Interest Group Meeting, the working group of the European FMT Registry (EurFMT) will hold its first General Assembly.

Monday, October 16, 2023

08:00 – 11:00 Room 5
Gastroduodenal Dysfunction “Ascona” Working Group
International Working Group for Disorders of GI Motility and Function: Gastroduodenal Dysfunction “Ascona” Section

Dyspeptic symptoms are common and impair quality of life. This CIG will provide a structured approach to the management of chronic nausea and vomiting, functional dyspepsia and gastroparesis. Advances in clinical investigation of gastric function and the identification of phenotypes that could promote more specific and effective management will be considered.

11:30 – 12:30 Room 5
The Blue Book 2023: Presentation of the updated European training curriculum
ESBGH

The purpose of the ESBGH is to achieve the delivery of high quality patient care by harmonising high standards for medical practice and postgraduate education. Join this meeting to hear about the latest updates of the Blue Book 2023, and to get tips and tricks to successfully pass the European Specialty Examination in Gastroenterology and Hepatology (ESEGH).

13:00 – 15:00 Room 5
UEG and E-AHPBA 2027: thoughts on a joint session
E-AHPBA 2027 (Local organizing committee)

In 2027, the annual meeting of the European-African Hepato-Pancreato-Biliary Association will take place in Hamburg, Germany. One central aim of this meeting is to reflect on interdisciplinary aspects within gastroenterology and HPB surgery in clinical work and science. Potential topics are for example translational trials or precision endoscopy/gastroenterology, which should be discussed within this interest group.

16:00 – 17:30 Room 5
Advancing guideline development to a new high: UEG and UEGJ quality improvement initiatives
UEG QOC/UEGJ

Yasuko Maeda is a Guideline Editor for UEGJ and Wafaa Khannoussi is the chair of UEG QOC. This session aims to discuss the principle behind modern development of guidelines and advancements such as AI that may shape future guidelines. All those keen to develop high-quality guidelines and participate in interactive discussion are welcome.

Get your UEG Week Certificates

After the conclusion of the congress and within the next 12 months, use your myUEG account to log into myueg.eu, fill in the UEG Week 2023 evaluation form and download your Certificate of Attendance, your CME Credits and any abstract presentation certificates.

Name badges

In case you visit an exhibition booth stand or attend an Industry Symposium you may be asked to give your consent – by scanning your badge or by giving your consent on the congress platform – that your personal data (to the extent provided), comprising full name, country, affiliation (institute/company, department) and email address is being passed on to the respective (scanning) UEG sponsor/exhibitor (also listed on the website ueg.eu.) for the purpose of providing marketing and information material relating to the field of digestive health as well as information on scientific events from the respective sponsor/exhibitor. You are entitled to withdraw your consent to this data processing procedure at any time by sending a corresponding email to unsubscribe@ueg.eu. Further information can be found in our privacy policy at ueg.eu/privacy-policy

Participants are requested to wear their name badge at all times during the congress. The colours of the name badges have the following significance:

-  Congress Delegate
-  Postgraduate Teaching Programme Delegate
-  Congress and Postgraduate Teaching Programme Delegate
-  Nurse and AHP* Delegate
-  Exhibitor and Congress Delegate
-  Exhibitor
-  Faculty, Officers, Organisers
-  Press
-  Congress Staff
-  Guest
-  myUEG Community Registration (Members Village, Associations & Future Events Area)
- P/NP** Prescriber/Non-Prescriber
