

CALL FOR ABSTRACTS: DIGESTIVE DISEASE MECHANISM (DDM) SUMMIT AT UEG WEEK 2025

Thank you for your interest in submitting an abstract for the DDM Summit at UEG Week 2025!

For the first time in 2025, we've curated an exceptional 3-day programme featuring lectures, workshops, poster presentations, and interactive discussion groups, led by top experts in the field. This unparalleled event offers you a unique opportunity in the field of GI research, with this year's topic focusing on Pathogenesis of GI tract diseases (cancer-related).

Why submit your abstract?

- **Showcase your research:** Present your findings to an international audience at the premier platform for GI science.
- **Gain visibility:** Your abstract will be featured in the UEG Journal, Gutflx, and the online program.
- **Compete for travel grants:** UEG offers **140 travel grants** of up to €750 for outstanding abstracts, awarded to basic scientists aged 40 or below (born on or after October 8, 1985). You will need to apply for these at the same time as submitting the abstract. The grant can only be awarded once per abstract presenter per meeting. Travel grants are based on scientific merit and are available exclusively to [myUEG Young GI Associates](#).

How to submit

- Choose "abstract" as the submission type.
- Select the **DDM Summit** checkbox during the submission process.
- Carefully review the **abstract submission guidelines** to ensure your abstract is prepared correctly.

Don't miss your chance to participate in this exciting and transformative event by submitting your abstract!

So, what are you waiting for? Submit your abstract and become part of the [myUEG Community!](#)

Important Dates

Opening of Abstract submission: February 24, 2025
Deadline for Abstract submission: Friday, April 25, 2025; Midnight (CET)
