

CALL FOR CLINICAL CASES

Share your most intriguing clinical cases at UEG Week 2026 and contribute to the advancement of gastroenterology!

This is your opportunity to present challenging clinical problems that spark engaging discussions among experts. Accepted cases will be showcased as E-Posters—accessible both onsite and virtually—ensuring your work reaches a global audience of GI professionals.

Why submit?

- **Highlight Complexity:** Submit cases that go beyond standard guidelines—uncommon diseases or complex management scenarios that demand creative solutions.
- **Extensive Visibility:** Posters will be displayed onsite from Sunday to Tuesday and featured in the virtual poster exhibition on the UEG Week platform. Following the event, your poster will continue to inspire as part of [Gutflix](#).
- **Recognition & Interaction:** The best clinical cases will be selected for Moderated Poster Sessions, where you'll present your work on stage and engage with peers in dynamic discussions led by the UEG Scientific Committee.

What to include?

Ensure your case is presented by a team member directly involved in its management. Bring your case to life with high-quality endoscopic, radiological, and pathological images. You can even include a pre-recorded 3-minute presentation to enhance your poster's impact!

Don't miss this chance to contribute to one of the most influential events in the GI field.

Submit your clinical case today and join the vibrant [UEG Week community!](#)

Carefully review the submission guidelines to ensure your clinical case meets all requirements.

Your insights could shape the future of gastroenterology—submit now!
