

UEG Week 2026

Embargo Policy

- Accepted abstracts are published as supplement of the UEG Journal.
- Accepted abstracts, with the exception of top abstracts, late-breaking abstracts and UEG press-related abstracts, are made available on the congress website approximately 3 weeks prior to the congress (September 26, 2026, 06:00 AM). Information contained in these abstracts may not be released prior to their availability on the congress website.
- Top abstracts, late-breaking abstracts and UEG press-related abstracts are made available on the congress website on the day of their respective session. Information contained in top abstracts, late-breaking abstracts and UEG press-related abstracts may not be released until that date.
- Violation of the embargo may result in the abstract being withdrawn from the congress.
- In case you do not agree with this policy, please write us an email at uegweek.abstract@abstractserver.com.
